

Bumpkins

Bumpkins are our ornamental pumpkins. Great for your fall decorations and a good size for the littlest member of the family to color with crayons.

Pumpkins available September 15th to Halloween

Howden

Aladdin

Designed for carving, the Aladdin (25 to 35 pound), Gladiator (20 to 25 pound), Howden (20 to 25 pound), and Magician (15 to 25 pound) all have strong stems and bright orange coloring.

Fairy Tale

Silver Moon

Jarrahdale

Just for the fun of it, we have three limited-quantity special decorative pumpkins. The Jarrahdale & Fairy Tale feature 'Cinderella' ribbing, in blue / green and buckskin while the Silver Moon is a white pumpkin with orange flesh.

Small Sugar

Our pumpkins for the little ones at 3 to 5 pounds each are as easy to carve like their big brothers. Able to be painted as well as carved, the Prankster & Small Sugar also make great pies.
